Building Blocks for Resilience in Later Life

Helen Dennis is a well-known author and specialist in aging, employment and the new retirement. Her interactive workshop discusses 8 building blocks that will increase our chances to live with resilience and vitality – now and in the future. She asks the question, “What is the reality for each of us?”

10:30 AM – 11:00 AM
Break/Refreshments

11:00 AM – 12:30 PM

2012 Medicare Part D Drug Coverage Updates

This seminar will explain changes in Medicare Part D drug coverage benefits and cost sharing for 2012. It will also review changes in the availability of Medicare Part D drug plans in Los Angeles County and discuss how to use the Medicare drug plan tool to select a plan that meets your needs. Presented by the Center for Health Care Rights, a non-profit health care advocacy organization.

RSVP to the USC Emeriti Center:
213-740-7122 or ecrsvp@usc.edu

Program and Refreshments are Complimentary.
Donations are welcome at check-in.
