& Friends for
Editing**

Please save all questions until the end of the presentation or type them in the chat!

Understanding Photoshop + Adobe Photoshop Express

Basic Functions

Autoediting:

Before you even start editing, PS Express attempts to automatically fix your photo.

You can play around with different presets provided by PS Express. However, you can click on the wand again to undo changes.

Basic Functions

Filters / Looks:

1. Tap the three overlapping circles at the bottom left of the screen.

It's worth noting that the filters in Adobe Photoshop Express are quite harsh. These can make your photo look over-processed.

Basic Functions

Light and Brightness Adjustments:

LIGHT:

- **Exposure:** Brighten or darken the entire image.
- **Contrast:** Change the difference between the brightness of light and dark areas.
- **Highlights:** Adjust the brightness of the highlights (bright areas).
- **Shadows:** Adjust the brightness of the shadows (dark areas).
- **Whites:** Adjust the brightness of the brightest areas.
- **Blacks:** Adjust the brightness of the darkest areas.

Basic Functions

Light and Brightness Adjustments (cont.):

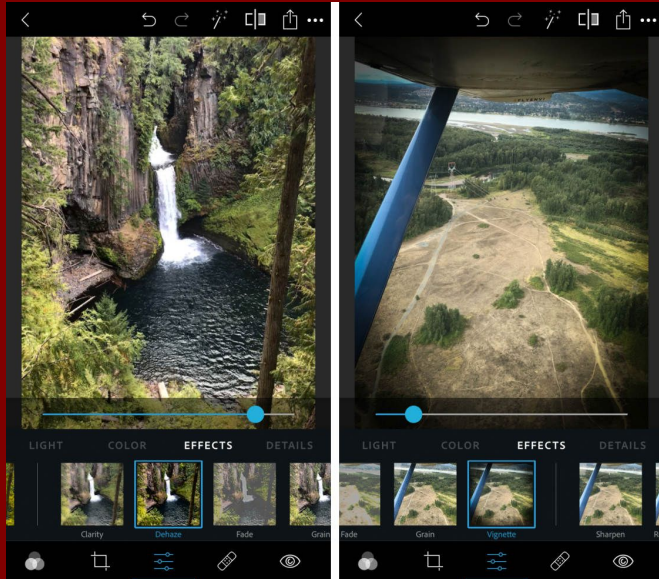

COLOR:

- **Temperature:** Make the colors warmer (more orange) or cooler (more blue).
- **Tint:** Add a green or purple tint to your photo.
- **Vibrance:** Adjust the lower-saturated colors without affecting the higher-saturated colors too much.
- **Saturation:** Adjust the intensity of all colors in your photo

Basic Functions

Light and Brightness Adjustments (cont.):

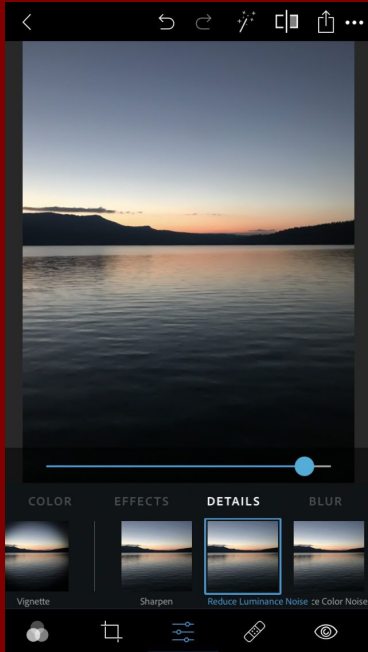

EFFECTS:

- **Clarity:** Bring out details and textures.
- **Dehaze:** Adjust the amount of atmospheric haze in your photo. Drag the slider to remove or enhance fog in your photo.
- **Fade:** Fade the colors in your photo.
- **Grain:** Add grain to create an old-fashioned film or vintage look.
- **Vignette:** Add a black or white vignette around the edges of your image.

Basic Functions

Light and Brightness Adjustments (cont.):

DETAILS:

- **Sharpen:** Sharpen the fine detail in your photo.
- **Reduce Luminance Noise:** Fix noisy (grainy) photos where the bright pixels are affected. Drag the slider to smooth out the grain.
- **Reduce Color Noise:** Fix noise (grain) problems where multi-colored pixels appear, especially in the darker areas of your image.

●

Basic Functions

Blur:

Use to blur all or part of your images.

Radial blur lets you blur certain parts of your image. This can help focus the viewer's attention on the most important part of the scene.

Basic Functions

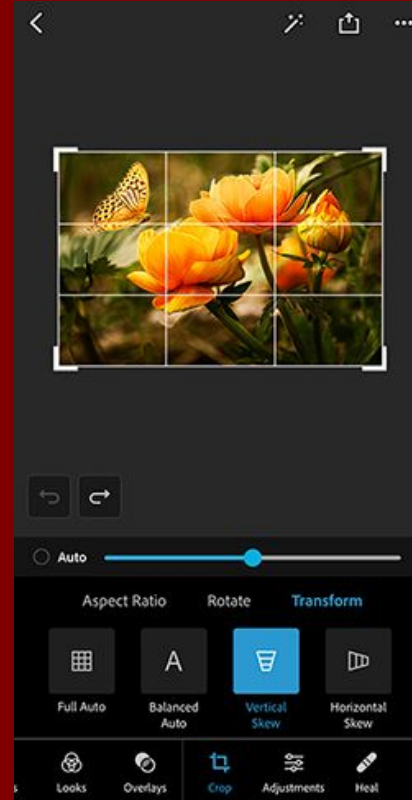

Cropping:

1. Select the *Crop* tool.
2. Tap *Aspect Ratio*.
3. Select your desired aspect ratio preset.

Transforming:

1. Tap *Transform*.
2. Use the slider or Auto option to fix the perspective in your photo.

Basic Functions

Heal:

Use to remove spots, dirt, and dust from your photos with a single touch.

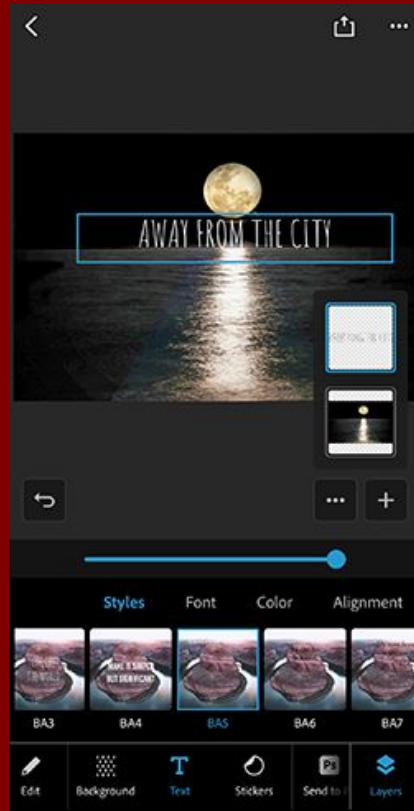

If you don't receive your desired result, re-tap to view different results on each tap.

Basic Functions

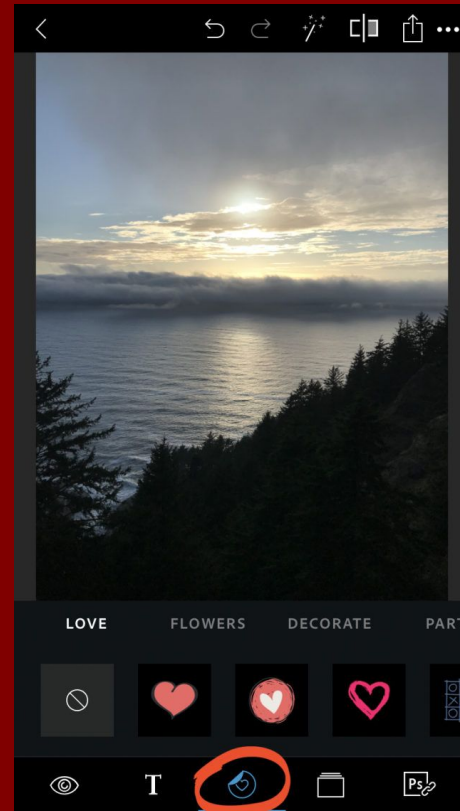

Adding Text:

1. Select the *Text* tool.
2. Click on a *style* along the bottom.
3. Add and adjust your text.

Adding Stickers:

1. Tap *Stickers* (Next to text).
2. Add and play around with stickers on your photos.

USC Emeriti Center

1

What is the Emeriti Center?

We are located at the USC Religious Center, Room 103C!

Our Programs

Intergenerational Programs

Trojan Table, Trojan Connections, Learning Sessions, GeroTech, Caldwell Scholars, Distinguished Lectures

Health and Wellness Events

Medicare D Consultations, Alzheimer's, sleep, occupational therapy, technology, and more

Volunteering and Partnerships

Price School of Public Policy, UCLA ERRC, Pharmacy, Gerontology, Dworak-Peck School of Social Work, and more

Living History Recordings

videotaped interviews of many key campus contributors from the 1940s to the present,

Retirement Planning

essential information, resources, advocacy, privileges, and support to help retirees live healthy and purposeful lives

Honors & Awards

to recognize the accomplishments and service of our distinguished staff and faculty retirees

Additional Resources

Publications

Newsletters, books, guides
to retirement and higher
education

IIM Fund

Intergenerational,
Interdisciplinary,
Multicultural Fund

Work Study & Internships

The best way to get involved
closely with EC

Mentoring & Advocacy

For retirees, staff, faculty
and students!

Getting Involved with the Emeriti Center
